RECITALS:

WHEREAS, approximately [•] acres of real property situated in Wyandotte County, Kansas, (the "Stadium Land") will be conveyed to the KSFA pursuant to the Land Transfer Agreement, which Stadium Land will be utilized for the development, construction and operation of a new state-of-the-art professional football stadium (the "Stadium") together with certain access roads, buildings and parking areas (collectively with the Stadium Land and the Stadium, the "Stadium Facility");

WHEREAS, pursuant to its rights as a National Football League ("NFL") franchisee, TeamCo owns the "Kansas City Chiefs" professional football team (the "Team");

WHEREAS, approximately [•] acres of real property situated in Olathe, Johnson County, Kansas (the "Team Facilities Land") will be conveyed to KSFA pursuant to the Team Facilities Land Transfer Agreement, which Team Facilities Land will be utilized for the development, construction and operation of a new office headquarters for the Team (the "Team Headquarters") and a new, cutting-edge practice facility (the "Practice Facility" and, together with the Team Headquarters, the "Team Facilities"), which will serve as the location of the Chiefs Operations on a full-time, year round basis.

WHEREAS, concurrently with this Agreement, the Parties are entering into a Stadium Non-Relocation Agreement (the "Stadium Non-Relocation Agreement"), pursuant to which the Chiefs have agreed, among other things, to cause the Team to play its Home Games at the Stadium Facility during the term thereof, subject to the terms and conditions set forth therein;

WHEREAS, concurrently with this Agreement, the Parties are also entering into, among other things, (i) a Stadium Management Agreement (the "Stadium Management Agreement"), (ii) a Stadium Construction Coordination Agreement (the "CCA"), (iii) a Team Headquarters and Practice Facility Construction Coordination Agreement (the "Team Facilities CCA") (iv) a Community Impact Agreement, (v) a Club Guaranty Agreement, (vi) a Stadium Non-Relocation Agreement, and (vii) a Team Headquarters and Practice Facility Management Agreement (the "Team Facilities Management Agreement");

WHEREAS, in connection with this Agreement, the Parties will also enter into (i) the Master QAD Agreement, (ii) a Land Transfer Agreement, and (iii) a Team Facilities Land Transfer Agreement;

WHEREAS, the State and the Chiefs have determined that the relocation of the Chiefs Operations to the State and the construction, development, operation and maintenance of the Team Facilities within the State, encourages and fosters economic development and prosperity for the citizens of the State, enhances the image of the State, generates meaningful tax revenues, including the income tax revenues attributable to the compensation of the personnel employed in the Chiefs Operations, and provides recreational and other opportunities for the citizens of the State, which may include open practices, a team store and additional public-facing amenities, such as fan engagement areas, community gathering spaces and youth programming facilities;

WHEREAS, as a material inducement for the State and KSFA to enter into the Team Facilities CCA, the Team Facilities Management Agreement, and the other Definitive Documentation and for the State to provide financial and other support for the development of the Team Facilities and the Stadium Facility, the Chiefs have agreed to enter into this Agreement upon the terms and conditions set forth herein;

WHEREAS, the State has committed to invest and cause to be invested a substantial amount of funds and other resources for the development, improvement and construction of the Team Facilities and the Stadium Facility, and the State would not do so without assurances from the Chiefs that the Team Facilities will be relocated to and continuously maintained and operated in the State upon the terms and conditions set forth herein; and

WHEREAS, the Parties acknowledge that any breach of such obligations would result in substantial economic and other harm to the State, KSFA and the Public, including the loss of significant public benefits, for which monetary damages alone may be inadequate.

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants set forth below and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, hereby agree as follows:

2. Relocation and Continuous Operation of the Team Facilities.

(a) Relocation and Operation. Subject to Section (b) below, (i) the Chiefs covenant and agree to cause the Chiefs Operations to be relocated to and the Team Headquarters and Practice Facility to be established on the Team Facilities Land no later than the Team Facilities Management Agreement Term Commencement Date and, following the Interim Period, to keep, maintain and continuously operate the Team Headquarters and Practice Facility in the STAR Bond District, including the Chiefs Operations therefrom on a full time, year round basis, at all times during the Non-Relocation Term and (ii) the Chiefs shall not attempt to cause the relocation of the Chiefs Operations during the Non-Relocation Term, except as expressly permitted hereunder or with the prior written consent of KSFA and the State, which consent may be withheld in their sole and absolute discretion.

(b) Temporary Unavailability. Notwithstanding the provisions of Section 2(a), if, following the Interim Period through the end of the Term, an Untenantable Condition exists, then the Chiefs shall first attempt to continue the affected Chiefs Operations at the Team Facilities to the extent reasonably practicable. If the Chiefs are unable to continue the affected Chiefs Operations at the Team Facilities, then the Chiefs shall be entitled to temporarily conduct such affected Chiefs Operations at an Alternate Site during the period in which such Untenantable Condition exists and continues to exist; provided that the Chiefs shall promptly furnish written notice (in accordance with Section 9(b)) to KSFA of the existence of such Untenantable Condition, which notice shall identify (to the extent that such information is known by the Chiefs) (i) such Untenantable Condition, (ii) the Chiefs Operations expected to be conducted at the Alternate Site, (ii) the expected duration of such Untenantable Condition (including the length of time expected to conduct such operations at the Alternate Site), (iii) the location of the Alternate Site and (iv)

the length of any contractual commitment made by the Team to conduct such operations at the Alternate Site. Without limiting the foregoing, upon the occurrence, and during the continuance, of any Untenantable Condition, the Chiefs shall (x) use commercially reasonable efforts to (A) mitigate and eliminate such Untenantable Condition as soon as reasonably practicable to the extent within the reasonable control of the Chiefs and (B) minimize the duration of such Untenantable Condition and any contractual commitment of the Chiefs to conduct Chiefs Operations at an Alternate Site and (y) keep KSFA apprised of the status of such Untenantable Condition. In no event shall the obligation to use commercially reasonable efforts to mitigate and overcome such Untenantable Condition pursuant to this Section 2(b), or to minimize the duration thereof, require the Chiefs to perform any obligation of KSFA or the State under the Definitive Documentation. For the avoidance of doubt, except to the extent the Chiefs' obligation to conduct the affected Chiefs Operations at the Team Facilities is temporarily excused pursuant to this Section 2(b), all other obligations of the Chiefs under this Agreement and the other Definitive Documentation shall remain in full force and effect, and nothing in this Section 2(b) shall limit, waive or impair any rights or remedies of KSFA or the State under this Agreement or the other Definitive Documentation, including, without limitation, any rights or remedies arising from or relating to the cause of such Untenantable Condition, any Construction Defect or Design Defect, any failure to mitigate or eliminate such Untenantable Condition, or any failure to comply with the requirements under this Section 2(b).

3. Maintenance of the Team Facilities.

(a) During the Term, the Chiefs shall: (i) keep and maintain the Team as a validly existing and participating NFL Team in good standing under NFL Rules and Regulations; (ii) keep and maintain the Franchise as a validly existing and participating NFL franchise in good standing under NFL Rules and Regulations; and (iii) except as otherwise provided in Section 2 above or in the Team Facilities Management Agreement, and except during the Interim Period, keep, maintain and continuously operate the Team Headquarters and Practice Facility in the STAR Bond District, including all the Chiefs Operations therefrom on a full time, year round basis.

(b) Subject to the provisions of Section 2 above, except as otherwise set forth herein, during the Term, the Chiefs shall not: (i) relocate the Chiefs Operations outside the STAR Bond District; (ii) relocate, transfer or otherwise move the Chiefs Operations outside of the STAR Bond District during the Non-Relocation Term or discontinue the Chiefs Operations in violation of Section 2; (iii) enter into any contract or agreement to sell, assign or otherwise transfer the Team to any Person who, to the Chiefs' knowledge, intends to relocate, transfer or otherwise move the Chiefs Operations during the Non-Relocation Term to a location other than the STAR Bond District; (iv) (A) solicit an offer or proposal from any Person to enter into discussions regarding relocating the Chiefs Operations during the Non-Relocation Term to a location other than the STAR Bond District, or (B) enter into discussions, negotiations or agreements with third-parties concerning the relocation of the Chiefs Operations during the Non-Relocation Term to a location other than the STAR Bond District, except in the case of this clause (iv) solely to the extent that the relocation or other action described in such clause would first take effect after the Term; or (v) complete a transfer, assignment or surrender of the Franchise that results in the relocation of the Chiefs Operations outside of the STAR Bond District in violation of Section 2(a).

4. Transfer of Team or Franchise. The Chiefs shall not have the right to assign, sell or otherwise transfer, or grant or place a Lien upon, in whole or in part, the Team or the Franchise and/or any ownership rights therein, to any Person (an "Assignee") without the approval of KSFA; provided, however, that the Chiefs shall have the right to assign, sell or otherwise transfer, or grant or place a Lien upon, the Team or the Franchise and/or any ownership rights therein, without the approval of KSFA so long as such assignment, sale or transfer, or grant or placement of a Lien, (a) is conditioned on the Assignee being approved by the NFL in accordance with the NFL Rules and Regulations as the owner of the Franchise or the holder of a Lien thereon and (b) to the extent any such Assignee thereafter controls the Franchise, is

made or granted subject to the requirements and obligations of the Chiefs under the Definitive Documentation pursuant to an assignment and assumption agreement substantially in the form attached hereto as Exhibit A, or such other agreement in form and substance reasonably satisfactory to KSFA whereby such successor owner assumes full responsibility for the performance of all of the obligations of the Chiefs under the Definitive Documentation, arising on and after the date of such assignment, sale or transfer, including compliance in all respects with the terms herein, and such Assignee shall thereafter be deemed to be the Chiefs for purposes of the Definitive Documentation. Upon the consummation of any such assignment, sale or transfer and the execution and delivery to KSFA of the applicable assignment and assumption agreement, the Person that constituted the Chiefs immediately prior to such assignment, sale or transfer shall be relieved of its obligations under the Definitive Documentation arising from and after the effective date of such assignment, sale or transfer; provided that such Person shall remain responsible for all obligations and liabilities arising or accruing prior to such effective date.

5. Specific Performance; Liquidated Damages.

(a) The Parties acknowledge that: (i) the Chiefs' obligations under the Non-Relocation Covenants are unique, are the essence of the bargain, and are essential consideration for this Agreement, and the other Definitive Documentation being entered into by the Parties as related to the construction, development, and improvement of the Team Facilities and Stadium Facility; (ii) the presence of the Team Headquarters and Practice Facility in the State is extraordinary and unique, enhances the image of the State and cannot be readily replaced; (iii) the determination of damages caused by a Non-Relocation Default, the effects of which would be suffered by the Public and within the STAR Bond District, including the loss of the public's recreational and other opportunities, which may include the opportunity to attend open practices, visit the team store and enjoy related public-facing amenities, including fan engagement areas, community gathering spaces, youth programming facilities, and other recreational and community-oriented amenities, and the adverse effects on economic activity and investment in the State, including the loss of income tax revenues attributable to the compensation of the personnel employed in the Chiefs Operations, would be difficult, if not impossible, to ascertain; (iv) the presence of the Team Facilities in Johnson County was a material inducement for the State's election to include the County in, and the City's pledge of its revenues to, the STAR Bond District, which revenues supply a meaningful portion of the public commitment to both the Practice Facility and Stadium Facility, and (v) there would be irreparable harm to the State and KSFA if a Non-Relocation Default occurs. Therefore, the Parties acknowledge and agree that there exists no adequate and complete remedy at law to enforce this Agreement against the Chiefs in the event of a Non-Relocation Default, and that equitable relief by way of a decree of specific performance or an injunction (including but not limited to, during the Interim Period, a prohibitory injunction barring the Chiefs from soliciting an offer, or entertaining a solicitation, from a Person to enter into discussions regarding relocating the Chiefs Operations to a location other than the STAR Bond District, and/or, a prohibitory injunction barring the Chiefs from relocating the Chiefs Operations to a site other than the Team Facilities and/or a mandatory injunction requiring the Chiefs to maintain and operate the Team Facilities, including the Chiefs Operations, in the STAR Bond District) is the only appropriate remedy for the enforcement of this Agreement in the event of a Non-Relocation Default notwithstanding the provisions for liquidated damages provided elsewhere in this Section 5 for a Specified Non-Relocation Default. In amplification and not in limitation of the foregoing, the State acknowledges and agrees that, in the event of a Non-Relocation Default, or the threat of a Non-Relocation Default, the State shall first seek equitable relief before, in the event of a Specified Non-Relocation Default, attempting to avail itself of the liquidated damages provisions set forth in Section 5(b), provided that equitable relief is a remedy available and enforceable at the time of the Non-Relocation Default. Additionally, based on the foregoing, the Chiefs hereby agree as follows:

(i) Provided that KSFA or the State, as applicable, has not terminated the Team Facilities Management Agreement (or, during the Interim Period, the Team Facilities CCA), the

State shall be entitled to seek and obtain injunctive or declaratory relief prohibiting action by the Chiefs, directly or indirectly, that causes a Non-Relocation Default, or mandating action that averts a Non-Relocation Default, or enforcing the Non-Relocation Covenants through specific performance.

(ii) That obligations are being incurred to develop and construct the Team Facilities and to secure the continuous operation of the Team Facilities, including the Chiefs Operations, in the STAR Bond District during the Non-Relocation Term and that any Non-Relocation Default shall constitute irreparable harm to the State for which monetary damages or other remedies at law will not be an adequate remedy.

(iii) That the rights of the State to injunctive relief as a result of a Non-Relocation Default, as set forth in this Section 5 and otherwise allowed under Applicable Law, shall not constitute a claim pursuant to Section 101(5) of the United States Bankruptcy Code, as it may be amended from time to time, or any substitute therefor, and shall not be subject to discharge or restraint of any nature in any bankruptcy, reorganization or insolvency Proceeding involving the Chiefs, and that this Agreement is not an "executory contract" as contemplated by Section 365 of the United States Bankruptcy Code.

(iv) That in any Proceeding seeking relief for a Non-Relocation Default, any requirement for the State to post any bond or other security or collateral as a condition of any relief sought or granted is hereby waived.

(b) The Chiefs acknowledge and agree that if, solely upon the occurrence of a Specified Non-Relocation Default, including any such default arising pursuant to the provisions of Section 365(g) of the United States Bankruptcy Code or similar provision of any successor thereto, equitable relief pursuant to Section 5(a) above is not granted to the State by a court of competent jurisdiction in the State for any reason or is otherwise unavailable, the payment of liquidated damages as provided herein is the next most appropriate remedy. Therefore, the Parties agree that in the event of a Specified Non-Relocation Default, and the failure of any court to grant the equitable relief described in Section 5(a), the State will be entitled to recover from the Chiefs, as liquidated damages, an amount equal to the applicable percentage shown below of Five Hundred Million Dollars ($500,000,000). The Parties acknowledge and agree that the percentage of the amount payable as liquidated damages shall decline on the first day of the fifteenth (15th) Term Year and on the first day of each Term Year thereafter throughout the Non-Relocation Term, until reduced to zero percent (0%) on the first day of the thirtieth (30th) Term Year, as shown in the chart below:

Term Year	Liquidated Damages Amount Owed
Interim Period	100%
1st – 14th	100%

(c) For the avoidance of doubt, in no event may the State seek or obtain such liquidated damages, or any portion thereof, if the actions taken by the Chiefs causing a Specified Non-Relocation Default occur after the expiration or earlier termination of the Term. It is specifically contemplated by the Parties that if the Term expires, this Agreement and the Non-Relocation Covenants herein shall be terminated without affecting any obligation, for liquidated damages or otherwise, arising from any Non-Relocation Default which occurred prior to expiration of the Term.

(d) In determining the amount of liquidated damages provided for in Section 5(b), it is acknowledged and agreed that the Parties have exercised great care and undertaken a good-faith assessment, as of the Effective Date, to make a reasonable forecast of direct damages allowable by law that may arise from the breach of this Agreement by the Chiefs, taking into due consideration: (i) the loss of taxes and economic activity attributable to the presence and operation of the Team Facilities and the Chiefs Operations in the State, including the loss of income tax revenues attributable to the compensation of the personnel employed in the Chiefs Operations; (ii) the extraordinary involvement, covenants and expense of the Public in securing the Chiefs' commitment to relocate the Chiefs Operations to, and maintain the Team Facilities in, the STAR Bond District for the Non-Relocation Term; (iii) the State's election to include the County in, and the City's pledge of its revenues to, the STAR Bond District, which revenues supply a meaningful portion of the public commitment to both the Practice Facility and Stadium Facility, and a material inducement of which was the presence of the Team Facilities within its borders; (iv) the consequent reduction in expected public and economic benefits from the absence of the Team Facilities, which may include the loss of public access to open practices, a team store and related public-facing amenities in the broader Johnson County area; (v) the detrimental effects of a breach on the Public and the community; (vi) the loss of revenues to the Public and the community; (vii) the amount contributed by the Public to the construction, development, improvement, maintenance, and operation of the Team Facilities within the County, the STAR Bond District, and the State; (viii) the Public's reliance on the construction, presence and continuous operation of the Team Facilities, including the Chiefs Operations, in the STAR Bond District for economic development and job creation, and (ix) the anticipated Public and economic benefits reasonably expected to be received during the Non-Relocation Term and the corresponding reduction in anticipated damages based on the duration of the Chiefs' performance hereunder. The Parties acknowledge that such damages would be difficult to ascertain with reasonable certainty at the time of contracting and that the liquidated damages schedule reflects their reasonable estimate of those losses, in light of the value of the transactions contemplated by the Definitive Documentation, accounting for the timing of the breach and the anticipated benefits of the Chiefs' performance.

(e) The Parties further acknowledge that, because the Public would not have committed revenues to the STAR Bonds absent the promised presence and continuous operation of the Team Facilities, including the Chiefs Operations, in the STAR Bond District, the recovery set forth herein is a reasonable component of the forecast of damages in light of the anticipated loss of public benefits, the duration of the Chiefs' performance, and the corresponding economic benefits reasonably expected to have been received by the Public prior to such breach, and is intended to compensate the Public for the loss of the benefit of its bargain, rather than to constitute a penalty or serve as security for the Chiefs' performance of their obligations under this Agreement. The Parties further acknowledge and agree that the liquidated damages amount set forth in Section 5(b) was negotiated at arm's length by sophisticated parties represented by counsel, and represents a deliberate departure from the measure contemplated by the MOU, undertaken so that the amount more closely approximates the Public's reasonably anticipated direct damages from a Specified Non-Relocation Default rather than the aggregate amount of the Public's financial commitment. In arriving at such amount, the Parties considered, among other things, the Public's commitment to the Team Facilities, the Stadium Facility, the tax revenues reasonably expected to be generated by the Team Facilities and the Chiefs Operations over the Non-Relocation Term, and the benefit to Johnson County and the State of the location of the Team Facilities within the STAR Bond District.

(f) Upon a Specified Non-Relocation Default, if injunctive relief or specific performance as provided in Section 5(a) above is not granted to the State, liquidated damages shall be paid by the Chiefs in immediately available funds in a lump sum not later than the date set by a court of competent jurisdiction. The Parties acknowledge that the reasonable forecast of direct damages provided in Section 5(b) is not an exact measure of actual damages, as such an exact measure would be infeasible to estimate or forecast with precision.

(g) If, upon a Specified Non-Relocation Default, equitable relief fashioned to require the Chiefs to maintain and operate the Team Facilities, including the Chiefs Operations, in the STAR Bond District (or, in the case of a Specified Non-Relocation Default occurring during the Interim Period, equitable relief fashioned to enforce the covenants then applicable) is not granted by a court of competent jurisdiction in the State for any reason (following a prosecution to a final and non-appealable judgment), or is not otherwise available, the Chiefs, for itself and its successors, assigns and Affiliates, hereby waives any right, whether arising hereunder, at law, in equity or otherwise, to object to or otherwise challenge the validity, appropriateness or legitimacy of liquidated damages as the remedy for such Specified Non-Relocation Default. In the event the State is awarded liquidated damages pursuant to Section 5(b) with respect to a Specified Non-Relocation Default, the State hereby waives any right to collect, seek or claim any additional monetary damages arising out of such Specified Non-Relocation Default under this Agreement, including any loss of prospective profits or any other special, indirect, incidental, consequential, exemplary or punitive damages; provided, however, that the foregoing waiver shall not limit, waive or impair the State's right to recover any accrued and unpaid amounts expressly due and payable under this Agreement or any other Definitive Documentation, or any independent rights and remedies arising from a separate default under the Stadium Non-Relocation Agreement.

(h) Notwithstanding anything to the contrary set forth herein, the State specifically consents to and agrees that it shall not be permitted to enforce the provisions of this Agreement against the Chiefs, including the equitable remedies or liquidated damages provisions set forth in Section 5(a) or Section 5(b), except with respect to conduct engaged in by the Chiefs prior to the Stadium Management Agreement Term Expiration Date constituting or resulting in a Non-Relocation Default.

6. All Remedies. If, upon a Non-Relocation Default, the applicable equitable remedies and liquidated damages provided for in Section 5 are unavailable for any reason, the State shall be entitled to pursue all other legal and equitable remedies against the Chiefs, whether or not such other remedies are specifically set forth in this Agreement; provided, however, that any damages or money judgment obtained

in any such legal or equitable proceedings arising out of such Non-Relocation Default shall not exceed the amount of liquidated damages that the State would have been entitled to receive pursuant to Section 5(b) herein but for such unavailability; provided, further, that the foregoing shall not limit, waive or impair the State's right to recover any accrued and unpaid amounts expressly due and payable under this Agreement or any other Definitive Documentation. Except as expressly set forth in this Agreement, all legal and equitable remedies of the Parties are cumulative and may be exercised concurrently, successively, or in any order. Nothing in this Section 6 shall be read or interpreted to negate, forgo, or waive the State's right to obtain equitable relief or liquidated damages as set forth in Section 5 of this Agreement.

7. Termination; Release of Obligations.

(a) This Agreement shall terminate upon the earlier of (i) the expiration or termination of the Term, (ii) the termination of the Team Facilities CCA, following the State's failure to satisfy the Public Team Facilities Funding Commitment within the timeline required by the Team Facilities CCA, subject to the terms therein, (iii) the mutual agreement of the Parties, and (iv) the payment of liquidated damages pursuant to the provisions of Section 5(b) if such liquidated damages are available as a remedy and are sought by the State; provided, however, that no such termination or cancellation shall relieve the Chiefs of any obligation for liquidated damages or other damages arising or accruing pursuant to this Agreement prior to the effective date of such termination.

8. Irrevocable Nature. During the Term, the Non-Relocation Covenants are absolute, irrevocable, and unconditional obligations of the Chiefs and shall not be released, discharged, limited or affected by any right of setoff or counterclaim that the Chiefs may have to the performance thereof, except as expressly provided herein. The terms of this Section 8 shall expressly survive any termination of this Agreement.

9. Miscellaneous.

(a) No Construction Against Drafting Party. The Parties acknowledge that each such Party and its respective counsel have had the opportunity to review this Agreement, and that this Agreement will not be construed against any Party merely because its counsel prepared this Agreement.

(b) Notices. Any notice, request, instruction or other communication to be given hereunder by any Party to another Party shall be deemed properly given via (i) registered or certified mail, postage prepaid, return receipt requested, (ii) nationally recognized overnight courier, (iii) personal delivery (or delivery by bonded courier), or (iv) email, to the address designated for the recipient. Notice shall be effective on the date of receipt of the notice by the Party being notified; provided, however, email notices shall be effective on the date of email delivery, if delivered prior to 11:59 p.m. (in the time zone of delivery) on a business day (otherwise on the next business day), provided that any email notice also is sent on the same day via one of the other delivery methods permitted pursuant to this Section 9(b). Either Party shall have the right, by giving written notice to the other, to change the address at which its notices are to be received. Until any such change is made, notices to the Parties shall be delivered as set forth in Schedule 9(b) attached hereto.

(c) Severability. If any provision of this Agreement proves to be illegal, invalid, or unenforceable, the remainder of this Agreement will not be affected by such finding. Without limiting the generality of the foregoing, the covenants of the Chiefs in Section 2(a) are separate and independent from each other covenant contained herein.

(d) Written Amendment Required. No course of performance or other conduct hereafter pursued, accepted or acquiesced in, and no oral agreement or representation made in the future,

by any Party, whether or not relied or acted upon, and no usage of trade, whether or not relied or acted upon, shall modify or terminate this Agreement, impair or otherwise affect any right or obligation of any Party or otherwise operate as a waiver of any such right or remedy. No modification of this Agreement or waiver of any such right or remedy shall be effective unless (i) made in writing, and (ii) duly executed by the Parties. Any amendment to this Agreement shall require the approval of the NFL and shall be null and void unless such approval is obtained in advance. Notwithstanding anything to the contrary herein, the Parties hereby designate the NFL as a third-party beneficiary of this Section 9(d) with the right to enforce the same.

(e) Entire Agreement. This Agreement including the exhibits, schedules and addenda hereto, if any, and the other Definitive Documentation, represent the entire agreement between the Parties with respect to the matters set forth herein and supersede all prior or contemporaneous negotiations, representations or agreements, written or oral, pertaining to the subject matter of this Agreement. To the extent that there are any discrepancies between any other agreement and this Agreement, the terms and provisions of this Agreement shall control.

(f) Captions; Interpretation. The captions of the various articles and sections of this Agreement are for convenience only and do not define, limit, describe, or construe the contents of such articles or sections. Where specific language is used to clarify by example a general statement contained herein (such as by using the word "including"), such specific language shall not be deemed to modify, limit or restrict in any manner the construction of the general statement to which it relates. The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms. Whenever required by the context, any pronoun used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns, pronouns and verbs shall include the plural and vice versa. The words "include", "including" and other words of similar import when used herein shall not be deemed to be terms of limitation but rather shall be deemed to be followed, in each case, by the words "without limitation." The words "herein", "hereto" and "hereby" and other words of similar import in this Agreement shall be deemed, in each case, to refer to this Agreement as a whole and not to any particular Article, Section or other subdivision of this Agreement. Any reference herein to "dollars" or "$" shall mean United States dollars. The words "as of the date of this Agreement", "as of the date hereof" and words of similar import shall be deemed in each case to refer to the date this Agreement was first signed. The term "or" shall be deemed to mean "and/or". Any reference to any particular Applicable Law will be interpreted to include any revision of or successor to that section regardless of how it is numbered or classified and any reference herein to a Governmental Authority shall be deemed to include reference to any successor thereto.

(g) Governing Law; Jurisdiction and Venue.

(i) This Agreement shall be governed by and interpreted in accordance with the internal laws of the State of Kansas, without giving effect to conflict of laws provisions.

(ii) The Parties agree that this Agreement is executed in and is to be performed in the State of Kansas, and that all provisions of this Agreement and any dispute arising hereunder shall be governed by the laws of the State of Kansas. Any dispute arising out of this Agreement shall be litigated exclusively in the state courts sitting in Johnson County, Kansas. The Parties hereby consent to the jurisdiction and venue of such state courts. Each Party agrees to service of process in any form or manner permitted by law, addressed to such Party pursuant to Section 9(b). Each Party agrees not to institute suit arising out of this Agreement against any other Party in a court in any jurisdiction, except as stated above, without the consent of such other Party. Each Party agrees that a true, correct and complete copy of this Agreement kept in the State's or the Chiefs' course of business may be admitted into evidence as an original.

(h) Binding Effect. The covenants, conditions and agreements contained in this Agreement will bind and inure to the benefit of the Parties and their respective successors and/or permitted assigns. This Section 9(h) shall not affect or reduce the obligations of the Chiefs under this Agreement.

(i) No Assignment. Neither this Agreement nor any of the rights, responsibilities, or obligations hereunder can be transferred or assigned, whether by operation of law or otherwise, without the prior written consent of the non-assigning Party; provided, however, that (i) KSFA may assign this Agreement in connection with an assignment of its obligations under the Team Facilities Management Agreement, to the extent permitted under the Team Facilities Management Agreement, provided that such assignee assumes full responsibility for the performance of all of the obligations of KSFA under this Agreement and the Team Facilities Management Agreement, and (ii) subject to Section 4 above, the Chiefs shall have the right to assign, sell or transfer, in whole or in part, the Team (or the Team's rights under the Franchise) to an Assignee upon the approval of the NFL of such assignment, sale or transfer in accordance with applicable NFL Rules and Regulations.

(j) Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which taken together shall constitute one and the same instrument. Either Party may execute this Agreement by facsimile or PDF signature, and the other Party shall be entitled to rely on such facsimile signature or a PDF copy of an original signature transmitted to the other Party is effective as if it was an original, as evidence that this Agreement has been duly executed by such Party. Without limiting the foregoing, any Party executing this Agreement by facsimile or PDF signature shall immediately forward to the other Party an original signature page by overnight mail.

(k) Applicable Standard. Any approval, consent, decision or election to be made or given by a Party may be made or given in such Party's sole judgment and discretion, unless a different standard (such as reasonableness) is provided for explicitly.

(l) Authority. Each Party represents and warrants that (i) it has full power and authority to enter into this Agreement and to perform and carry out all obligations, covenants and provisions hereof, and (ii) this Agreement constitutes the legal, valid and binding obligations of such Party pursuant to the terms hereof and has been duly authorized by all necessary board, director, shareholder, manager, legislative, executive, committee and/or agency action, as the case may be, of such Party.

(m) No Third-Party Beneficiaries. Except as otherwise provided in Section 9(d) above, this Agreement is solely for the benefit of the Parties, and their successors and permitted assigns, and no provisions of this Agreement shall be deemed to confer upon any other Person any remedy, claim, liability, reimbursement, cause of action or other right.

(n) Parties in Interest; Limitation on Rights of Others. The terms of this Agreement shall be binding upon, and inure to the benefit of, the Parties and their permitted successors and assigns. Nothing in this Agreement (except as provided in Section 9(m) above), whether express or implied, shall be construed to give any Person (other than the Parties and their permitted successors and assigns as expressly provided herein) any legal or equitable right, remedy or claim under or in respect of this Agreement or any covenants, conditions or provisions contained herein or any standing or authority to enforce the terms and provisions of this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date and year first above written.
